Counselors

Through the years the counselors at El Monte High have meant a lot to us. They have helped us with our problems and have tried to give good sound advice. Most of us will be needing help to make the right decision about a college and a career for the future. While others will just need a helping hand with daily classes or someone to listen as they talk out their problems. So, don't be afraid to go visit your counselor every once in a while. They are there for you to call upon whenever you need them. Ready to help, listen, or just talk.

Wishing You Were Here

It was a night of excitement as El Monte fans filled the stadium for our 1977 Homecoming Game. The theme for Homecoming was "The Good Old Days." The Homecoming Court rode in old fashioned cars, as the band played, "In My Merry Oldsmobile." The girls on court were escorted by their fathers.

As the crowd grew quiet, Cindy King was announced as the "1977 Homecoming Queen."

I would summarize the 1977 football season in this way, we played with a lot of inexperienced boys on offense and defense. They gave their best effort in each game but could not come out ahead on the scoreboard — until the last game of the season. A great defensive effort and an offense that rolled up 329 yards total offense. We beat Keppel 10-0.

I, as the head coach, commend this team for their "mental toughness" — their ability to come back, tough, after a loss. At times we showed offensive brilliance; at other times we showed defensive brilliance, but not enough to get El Monte across the opponents' goal line.

The Captains for this 1977 season were: John Campa, Frank Lara, Randy Moore, and Steve Ruiz.

All Mission Valley League honors went to two Lions, Ricardo Heredia, selected as the first team kicker, and Dan Avila as a second team defensive tackle.

Offensive starters were: TE, E. Hernandez; tackles, D. Myrick and S. Jevons; guards, C. Bartholomew and R. Villegas; center, F. Jaramillo; split end, M. Garcia and B. Longmire; flanker, S. San Roman; Q.B., J. Campa; running backs, G. Nevarez, P. Perrin and F. Lara.

Defensive starters were: ends, C. Bartholomew and D. Harley; tackles, D. Avila and K. Oshiro; outside LB, T. Dunne and C. Breece; defensive backs, D. Miscovich, J. Waters and S. Gomez.

My best to all El Monte Lions.
Sincerely,
C. Ucker — Head Football Coach

This year's wrestling team had a tough time. Injuries and illness contributed to the Lions' having so many ups and downs. Lacking experience, the team wasn't always together, but true heart (Lion Pride) held us together.

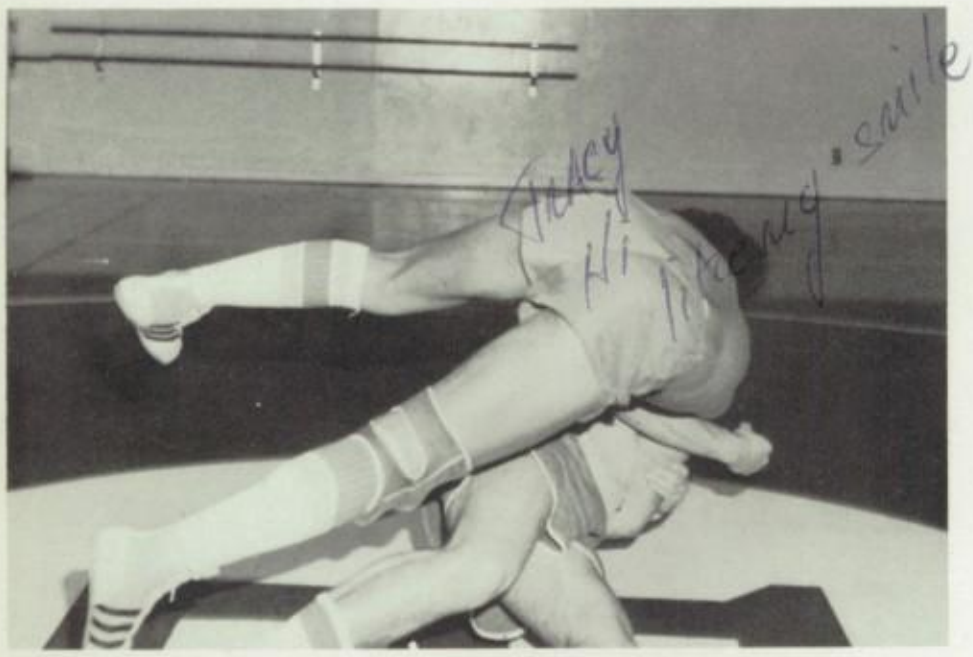

The Lions' 1-4 league record doesn't tell the whole story. Individually every one of the members of the team turned out winners. The entire team shares a true dedication and respect for coach James Galvan, who has and is working very hard for a championship wrestling team.

Varsity Soccer

Coach Andy Silva

This year's El Monte Soccer Team is comprised of 9 returning lettermen. Of those 9 players only one player will end his career as the only 4 year Varsity Soccer player. His name is Richard Heredia. Of these 18 players, only 8 players will return for next season. Of these 18 players, 5 are sophomores, 3 are juniors, and 10 are seniors.

The Lions are members of the Mission Valley League and will be defending their league title. They will be heavily favored to repeat as League Champions. The team will rely primarily on Captains Richard Heredia and Carlos Ramirez, Goalie Richard Duarte, defense Raul Salas and Guadalupe Hernandez, and forwards Armando Quiroz, Salvador Martinez, and Elezar Acosta. The Lions will also rely on its bench in case things get a little tough along the way.

The team will play in two tournaments, one in Santa Barbara and the other in Damien. They will compete in Pre-League games, which consists of 4 games, then play ten League games and a possible berth to the CIF Play-Offs. If all goes well, the Lions could end up as the CIF 4A Soccer Champions.

Sincerely,
Andy Silva

A.S.B. Fall Of 1977

There are so many people that I would like to thank for making my semester as A.S.B. President a pleasing one. El Monte High School is truly a school with class. I am proud that when the students at E.M.H.S. gave me the opportunity to be their President that they stood by me and supported me all the way. We hear so much criticism about our school system but when there's students and teachers like the ones at E.M. then it shows us that there are people who care.

Thank you,

C.S.F. Life Members

The California Scholarship Federation is a statewide accredited organization of high school honor students. Life membership in C.S.F. is based on grades and citizenship marks. In order to qualify for life membership, the student must have been in C.S.F. for four of the six semesters in the sophomore, junior or senior year. In addition, at least one of the four semesters must be in the twelfth grade. Students must earn at least ten grade points, of which five are in academic subjects with an "A" counting for three points and a "B" worth one point. El Monte High is proud to present these fourteen Life Members of the 1978 Senior Class.

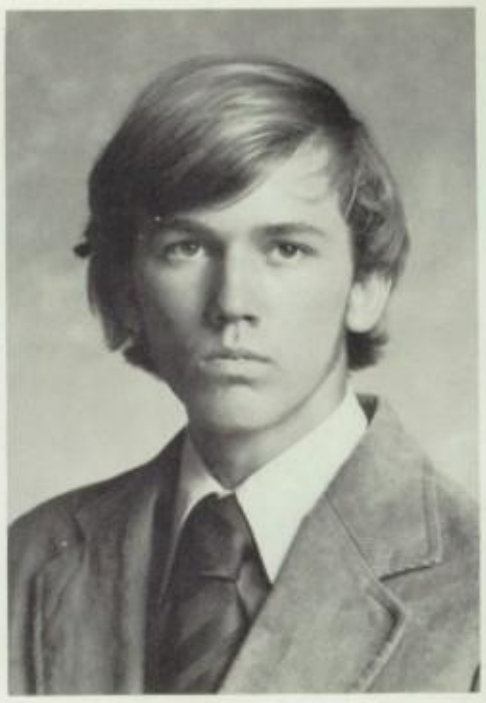

Not shown: Huyen Doan, Can Nguyen.

Hall Of Fame

Nominations of these outstanding seniors are made by the faculty of each department and student government sponsors. The basis for the selection of this traditional senior honor is high scholastic attainment, willingness to work, dependability, and irreproachable character and behavior.

Band Members

This year's Band members went to different places to perform such as the Pomona Fair, Magic Mountain, L.A. City Hall, and they performed at all the football and basketball games. The band members spend a lot of their extra time getting ready for events such as Home Band Concert and Pep Rallies. The band would like to express their "thanks" to all of the student body and faculty for all of their support during the year.

Why Not Join The Giraffes?

The story concerns 15 yr. old Suzie Henderson and her crowd: Natalie Goldman, her best friend; Ralph Chesney, the boy who moved to Suzie's neighborhood, whom she would love to impress; and her brother Sam, the leader of a rock-and-roll group called "The Giraffes," which Suzie thinks is lacking in cultural significance. Suzie's father is a television writer, and her mother an abstract painter. They are charming people who believe in giving their children the freedom to work out their own lives. But Suzie wishes they would be more conventional, like other parents. As she tells Natalie: "Now that they've brainwashed me into all this freedom, I don't want to be free!"

You Make Me Feel Like Dancing

"Ballet To Broadway" was this years Dance Concert Theme. It was held on the night of March 10, 1978. Mrs. Ruth Fisher, dance instructor, worked with the girls for a long seven months and their dances. The show contained dances ranging from Tap dance to Disco dancing.

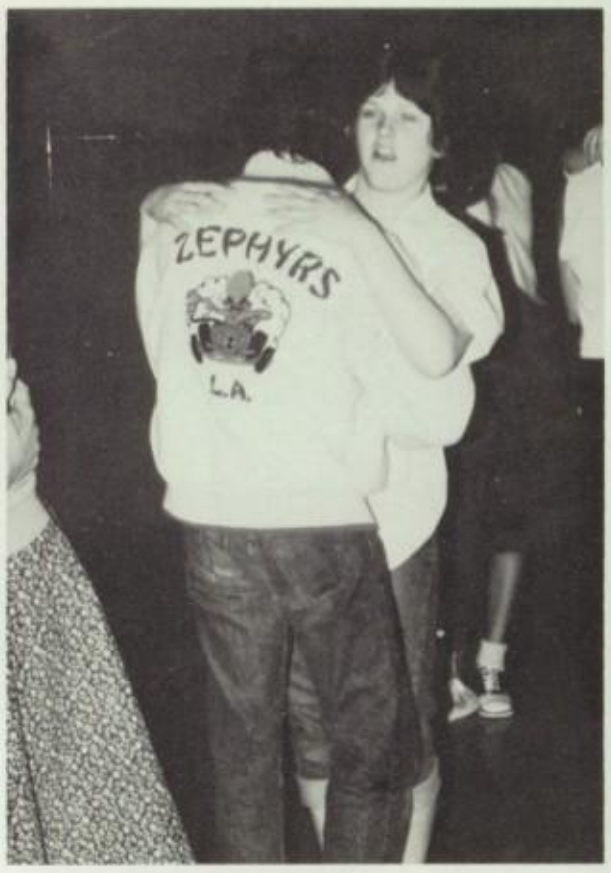

Rock N Roll

Bobby socks, cuffed jeans, oxfords, and flared skirts were all part of the 50's Day celebration, which was held on Mar. 3, 1978. Many students dressed in the 50's style as a commeration to "those good old days." The pickle eating contest, the hula-hoop contest and songs by Barber Shop and Beauty Shop were also part of the 50's Day celebration.

That night was the 50's Dance, where everyone twisted, shook, and strolled to the music by "Wingtips."

Joe Cool and his girl.

Put your head on my shoulder.

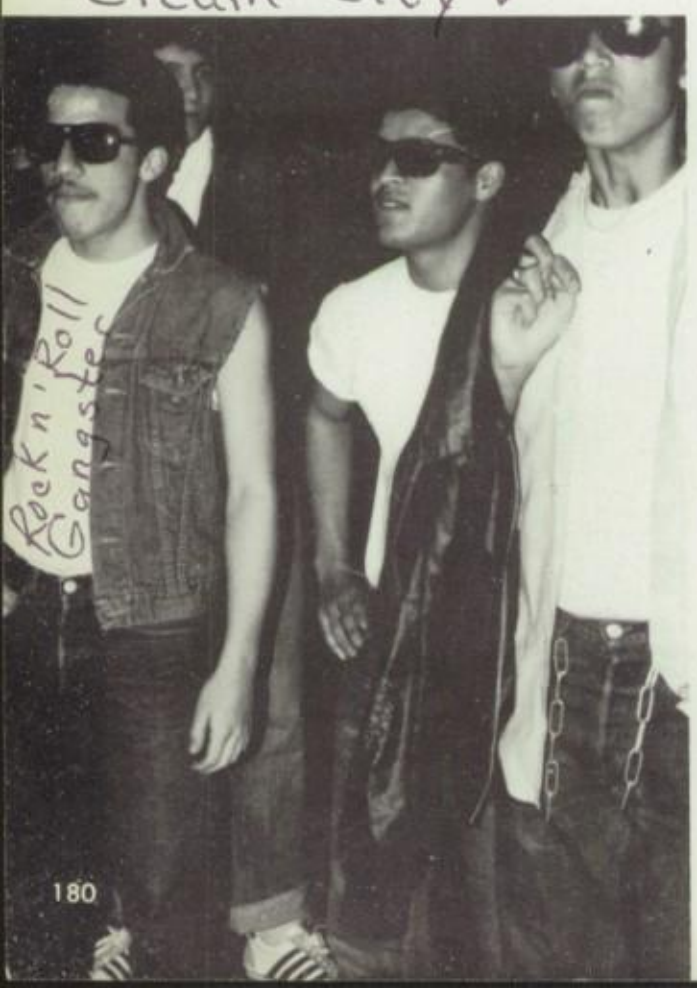

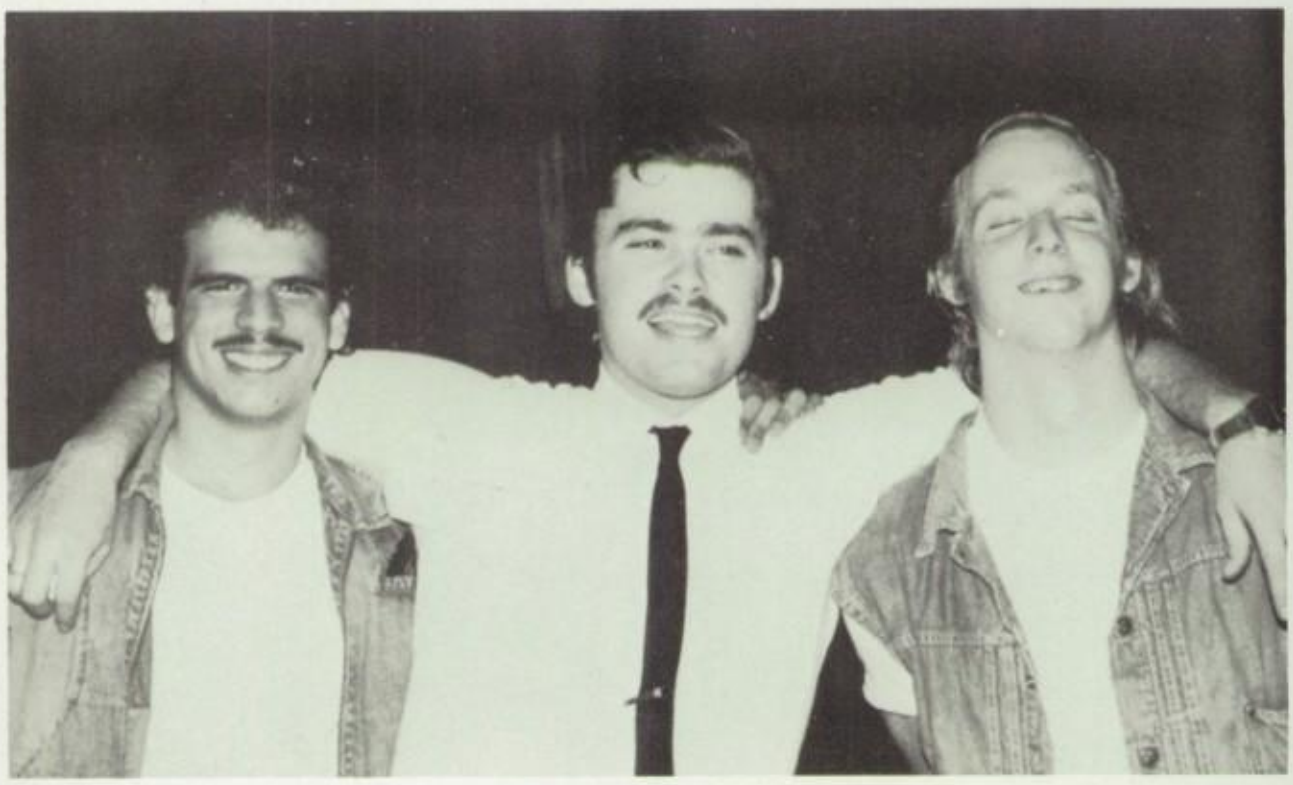

"Everybody do the Bunny Hop!"

Stroll down memory lane.

"So what da ya say we pick up?"

The Shanana's.

She can dance, she can sing, she can do just about anything.

"Ribet, Ribet, Ribet, Ribet . . ."

"Did you say a penny?"

"She's mine and I'm her's."

Your Wish Is My Command!

Slave Day is one of the senior activities, that everyone looks forward to. The senior girls were sold by Mr. Sandell and bought by any senior boy with lots of money!

The bidding went as high as $17.00 for three senior girls.

"Isn't she beautiful?"

Ladies Choice

Our annual Sadie Hawkins Dance was held on Nov. 19, 1977, on a Saturday evening. The dance was sponsored by our Soph. Class with the help of their class advisor, Mr. Stefanko.

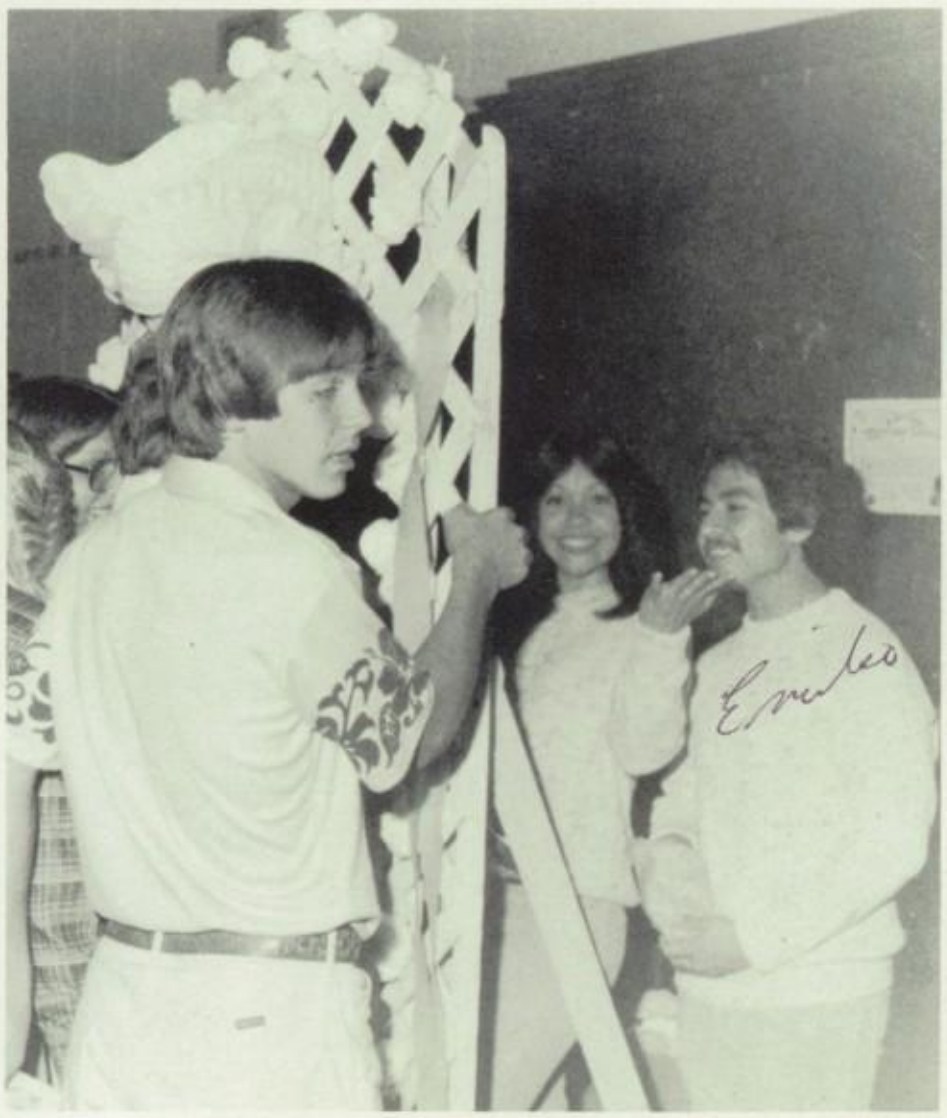

The dance was from 8:00 to 12 midnight. During the four hours, our couples danced to music by "Spain," had the opportunity to get married, go on a honeymoon, or spend a night in jail!

Dancing to the music.

Anyone for a drink?

"The Hitching Post"

Trick Or Treat

A one, an a two . . .

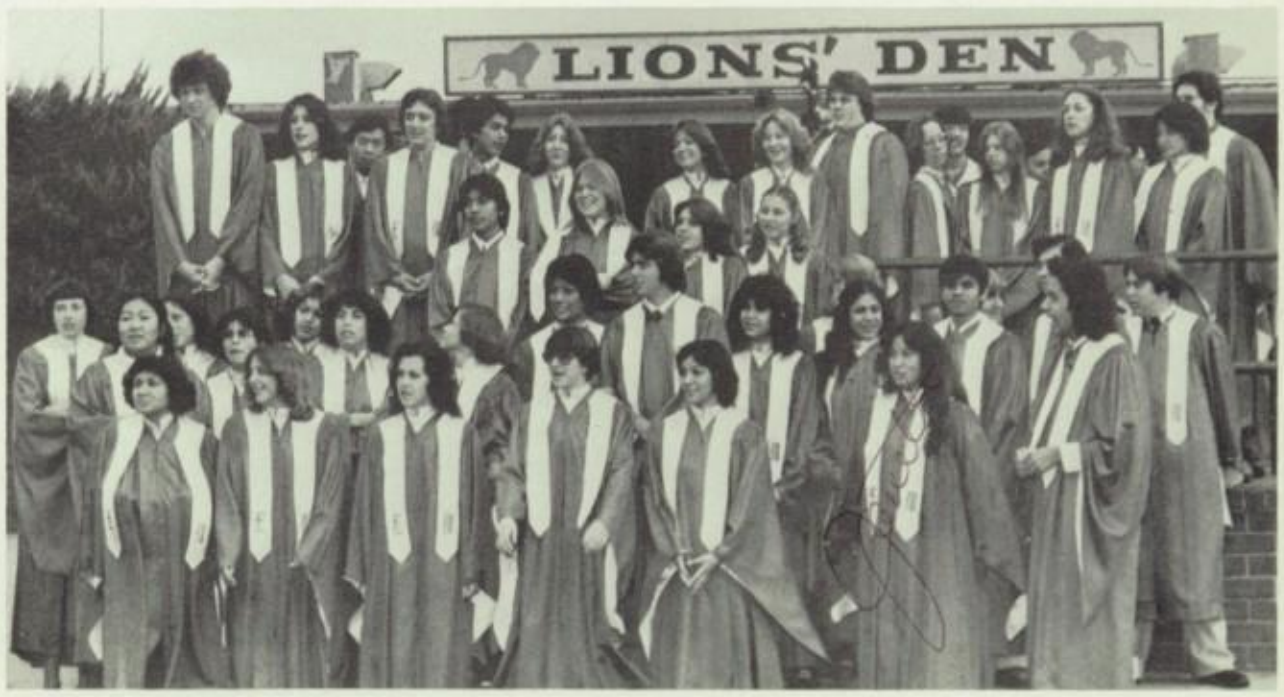

"Santa Claus is coming to town."

"Joy To The World."

"And everyone told me there wasn't a Santa Claus."

A' Cappella begins their caroling with, "Angels We Have Heard on High."

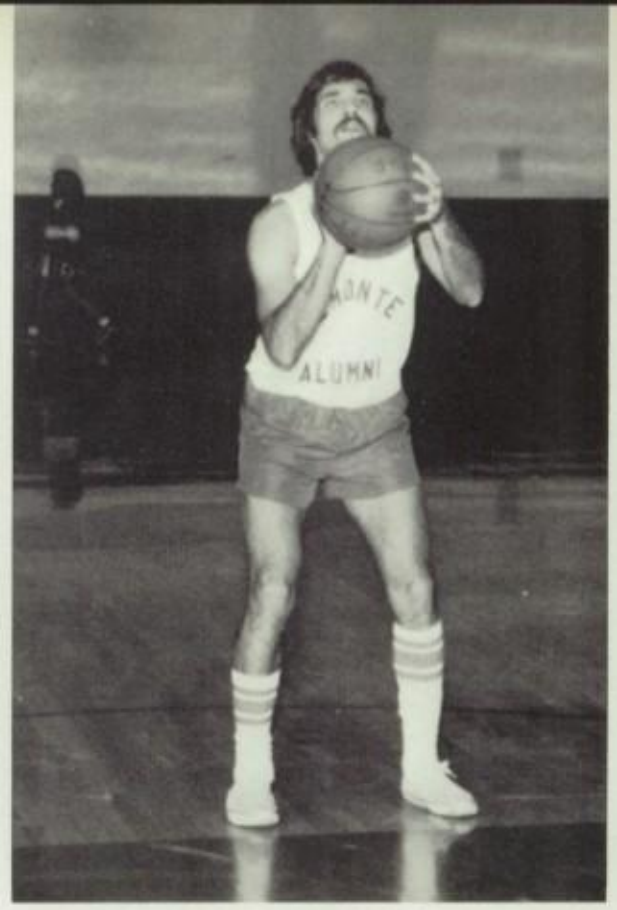

You're Still The One

This year we had two special sport events. The first was a battle between the Faculty and Varsity, Jr. Varsity Volleyball teams. Faculty proved victorious in that event.

Our second big event was the Alumni vs. Varsity Basketball game. Alumni's oldest teammate was a graduate from the "class of 53," who proved to "still be the one!" Fred Lynn coached the Alumni team.

The game was close and well fought, but the Varsity team pulled through and won!

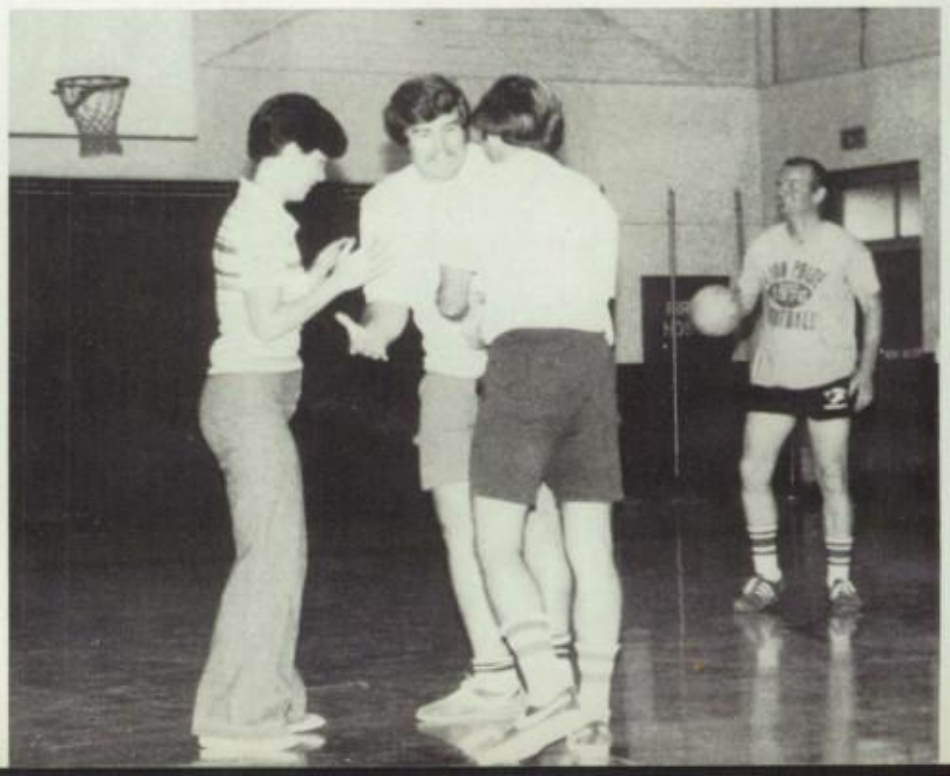

Do You See What I See?

Through the year we saw many assemblies. The Air Force Band Concert, "Fat City" by Campus Life, Annual Staff's slide show, Music Through the Years by Joe Rael and Friends, Cycling Mike Ionnone, Vocal Dept. musical programs, Band and Flashranker performances, Campus League Fashion Show, and many, many more.

Prom: Newporter Inn

Do You Know Where Your Going To?

"A Time For Us," was the theme for this years Jr. and Sr. Prom, which was held at the Newporter Inn, on May 12, 1978. It was a time for romantic dining and dancing. Everyone danced to the music by "Aphrodesia." It was a time no one would forget.

Disneyland: All Night Party

Disneyland, with its many attractions, was where it's at, for all graduating seniors. Our "All Night Party, on June 16, 1978, was the last time our seniors would be together. At Disneyland, the seniors celebrated the happy occasion of graduating.

"Perennial C.I.F. Bound Lions"

Once again the El Monte Soccer team qualified for the C.I.F. playoffs for the fourth year in a row. The Lions completed the season as co-champions of the Misson Valley League with a league record of 8-2. Their overall record for this season was 11-6-0.

Their first play-off game was at St. John Bosco. The Lions defeated them 2-1 in triple overtime. Salvador Martinez and Armando Quiroz scored the only goals for the Lions.

The next game was against West Torrance on the Lions home field. The Lions were defeated 4-0 against the No. 1 Team in C.I.F. This is the second year in a row that the Lions have gone to the second round of the play-offs. Coach Silva hopes that the jinx will disappear in next years season.

Mrs. Ethel Ayres, El Monte's secretary to our principal Jack Barton retired on the 20th of December. After 20 years of working at El Monte High she and her husband are building a new and beautiful home overlooking the ocean in Morro Bay, near San Luis Obispo.

Before working with Mr. Barton she was secretary to Dr. John Williams, a principal before Mr. Barton.

If any of you have ever met her I think you too would agree that she was the sweetest person, and that there was nothing that she wouldn't try to do to help you with a problem.

We all wish you lots of happiness with your beautiful new home. Thank you Mrs. Ethel Ayres.

To a really nice girl I met this year. I hope I see you next year & get to know you better. Hope next year you will again find time for chess. cause you always beat me.

To Tracy a real neat person. sorry you didn't make Cheers. But try again. cause I been trying for 3 yrs. Well Bye Love Lisa Delgado three times

It's been Super, these four years. They've gone a little too fast. High school can be lots of fun, if you want it to. But it can't if you don't give it any effort. You've got to get involved in all sorts of fun things. I've met so many different kinds of people. Just be yourself, smile and spread some more love into this world.

I'd like to thank some beautiful people, like my yearbook staff for being kind, Mrs. Gunstream for being herself and El Monte High for all the love it's given me. It's really a good feeling being editor, especially knowing that you have these people behind you all the time.

I hope this book will help you treasure all your special moments of the class of '78.

Thank You El Monte,

Grace Candelaria
